To: Mrs. Inna Kot,
President StyleSoft,
Minsk, Belarus

Crane Merchandising System has been working with Stylesoft since 2006. During this time, StyleSoft specialists have demonstrated a high level of professionalism and knowledge. All tasks and projects are performed with great quality and within the agreed timeframe. Any issues encountered during the course of a project were handled by Stylesoft employees competently and quickly. Crane Merchandising Systems' work with Stylesoft has delivered new software solutions and improved upgrades to existing solutions. Crane Merchandising Systems is grateful for the great service provided by Stylesoft and looks forward to our continued partnership.
